SOME DEPARTMENTS.

POSTAL.

Bombay, the 13th December 1914.

No. 2961-2964.—In pursuance of the orders contained in the Resolutions of the Government of India in the Home Department, No. 2954-2955, dated the 6th December 1909, the Government-General in Council is pleased to issue the following instructions with regard to certificates of identity.

1. Every native of India who maintains a permanent abode in India is foreign territory is strongly urged, before leaving, to furnish himself with an authoritative certificate of identity in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Bangalore, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and accompanied by the District Officer (in a Presidency Town and in the town of Bangalore, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who owing to unacknowledged circumstances, are unable to procure their means of subsistence should be dealt with summarily unless the parties are in a position to produce evidence of identity. Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition

to a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject and the production before authorities outside India of a certificate of identity, unless accompanied by documents showing evidence of responsibility, is not sufficient to ensure that a passport will be granted.

2. Father's name and caste.
3. Residence.
4. Age of applicant.
5. Nationality of applicant.
6. Social or pecuniary status of father or (grandfather).

The production of a certificate of identity, therefore, will not entitle him to a passport to secure the grant of a passport, which is empowered by documentary evidence of responsibility, submitted by a local Government or some authority empowered to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

* I.e., whether a British subject by birth or by naturalization (see subject of a British India).

No. 362.—The following notification of the Government of India is republished:—

DEPARTMENT OF EDUCATION, HEALTH AND LAWS

Sole, the 12th September 1937.

No. 1955 F.—The Secretary of State for India in Council, in pursuance of the Government of India, has recently had under consideration the petition of Indian students who have undergone, or are now undergoing, at their own expense, a course of study in the United Kingdom, but have not yet taken the entrance examination for the Indian Forest Service and have now, by reason of recent changes in the regulations governing recruitment to that Service, no chance of appearing as candidates at the examination. In order to give such students an opportunity of competing at the examination held in India, the Secretary of State, in consultation with the Government of India, has decided to admit to the Indian Forest Service entrance examination to be held in this country in 1938 candidates who fall within any of the four classes named below:—

(a) Those who were not delisted by age from appearing at the competitive examination in 1936,

i.e. were under 25 then, but were too old to appear at this year's examination by reason of being over 25 on 1st April 1921.

(b) Those who had obtained a degree or Diploma in Forestry and were under 25 years of age on the 30th June 1920.

(c) Those who were qualified to take the examination this year but did not do so, perhaps, on account of short notice and will be age-barred next year.

(d) Those who, having obtained a diploma or degree in Forestry, were under 25 on the 30th June 1921.

3. These exceptions will be incorporated in the regulations for the examination to be held in India in 1922. They will apply solely to that examination. They will not operate to allow any of the candidates in question who has appeared once at the examination to appear a second time, and are confined to Indian students who are now undergoing forestry training outside India, or were undergoing such training during 1921.
